FY 2015 State Plan Guidance  
Attachment C  

INTRASTATE (IFF) FUNDING FORMULA REQUIREMENTS

Each State IFF submittal must demonstrate that the requirements in Sections 305(a)(2)(C) have been met:

OAA, Sec. 305(a)(2)
“States shall,
(C) in consultation with area agencies, in accordance with guidelines issued by the Assistant Secretary, and using the best available data, develop and publish for review and comment a formula for distribution within the State of funds received under this title that takes into account—
(i) the geographical distribution of older individuals in the State; and
(ii) the distribution among planning and service areas of older individuals with greatest economic need and older individuals with greatest social need, with particular attention to low-income minority older individuals.”

• For purposes of the IFF, “best available data” is the most recent census data (year 2010). More recent data of equivalent quality available in the State may be considered.

• As required by Section 305(d) of the OAA, the IFF revision request includes: a descriptive Statement; a numerical Statement; and a list of the data used (by planning and service area).

• The request also includes information on how the proposed formula will affect funding to each planning and service area.

• States may use a base amount in their IFFs to ensure viable funding across the entire state.
