## New Hampshire Coalition of Aging Services

The Coalition has applied successfully for grants to support our Meals on Wheels programs across the state.

New Hampshire Coalition of Aging Services

*Building the Business Capacity of  
Senior Nutritional Programs*  
Grant Award

## New Hampshire Coalition of Aging Services

### *Building the Business Capacity of Senior Nutritional Programs*

Potential pilots:

*Depression Intervention using  
Virtual Problem Solving Therapy*

*Enhancement of the Meals on  
Wheels Safety Check*

Grafton County Senior Citizens Council has forged relationships with hospitals in the area, positioning us to work collaboratively with health care systems, especially Dartmouth-Hitchcock, with its focus on population health and developing an Accountable Care Organization with a focus on the Medicare population.

## GCSCC: Working with health care providers

Critical Care Access  
hospitals needed  
transportation assistance...

## GCSCC: Working with health care providers

...and the  
GCSCC Senior  
Transportation  
Program met  
the need.

## GCSCC: Working with health care providers

Small rural hospitals began to contribute.

## GCSCC: Working with health care providers

Around 2000, Dartmouth-Hitchcock realized how rapidly the service population was aging and began reaching out to aging service providers to work together.

## GCSCC: Working with health care providers

Dartmouth-Hitchcock became a philanthropic contributor to GCSCC in 2004.

## GCSCC: Working with health care providers

D-H's Community Benefits Office started working closely with GCSCC.
