

Business Acumen Network Profile

Network Location

Indianapolis, IN

Network Name

Indiana Aging Alliance, LLC, a subsidiary of the Indiana Association of Area Agencies on Aging

Network Structure Type

We created the Indiana Aging Alliance, LLC, in June 2014 as a wholly owned subsidiary of the IAAAA trade association. This facilitated participation by two of our 16 members who are university affiliates, and may have had barriers to LLC ownership.

Contract Prospects

Statewide, we currently targeting Indiana managed care entities contracted with Indiana Medicaid:

1. Anthem
2. MHS (Centene)
3. MDWise

Individual AAA members have relationships with local hospitals, ACOs, etc., that we may be able to leverage.

Potential Target Population

Statewide, we are currently focused on Indiana Medicaid populations under management with the three MCEs. Indiana Medicaid currently does not have duals management program. Individual AAA members have relationships with local hospitals, ACOs, etc., that we may be able to leverage to other populations.

Potential Service(s) and/or Service Package

The primary services we have capacity to offer statewide are:

1. LTSS / HCBS service coordination and management
2. In-home assessment
3. Care transitions services
4. Evidence based healthy aging programs
5. LTSS options counseling and navigation
6. Caregiver support
