Goals, Strategies, and Activities

The overall purposes of this three-year Capacity-Building grant are to do the following:

- **Goal 1**: Develop capacity in areas with no or limited evidence-based program infrastructure to introduce, deliver, and expand the reach (program participants and completers) of evidence-based chronic disease self-management education (CDSME) and self-management support programs within underserved geographic areas and/or populations to improve their confidence in managing their chronic condition(s).

- **Goal 2**: Develop a business plan with strategies to support the proposed programs during and beyond the grant period.

The Florida Department of Elder Affairs (FDOEA) and its partners will do the following:

- Implement at least one CDSME workshop in targeted counties;
- Increase participant recruitment efforts for CDSME;
- Improve participant health outcomes by ensuring program fidelity; and
- Convene strategic partners and other stakeholders on a regular basis through a steering committee focused on program sustainability.

Proposed Interventions

- Chronic Disease Self-Management Program

Partnerships

To achieve the goals of the grant, FDOEA will collaborate with the following key partners:

- Area Agency on Aging for Southwest Florida
- County health departments
- Florida’s Agency for Health Care Administration
- Florida Department of Health
- Florida Health Networks
- Other organizations in Florida’s aging network

Anticipated Results

The FDOEA and its partners propose to achieve the following results:

- Provide CDSME to 240 underserved older adults and adults with disabilities;

Prevention and Public Health Fund 2019, effective May 1, 2019
• Achieve a 70% participant completion rate;
• Increase coverage of CDSME to six counties in the target project area;
• Expand program access to underserved target populations;
• Improve participants’ confidence, healthy behaviors, and self-efficacy as measured by pre-and-post outcome surveys; and
• Produce a strategic business plan focused on the sustainability of the program beyond the grant period.
